

Tabletop Foosball Instructions

1. Cut along the dotted lines on the “Tabletop Foosball” handout.

2. Fold along the solid black lines.

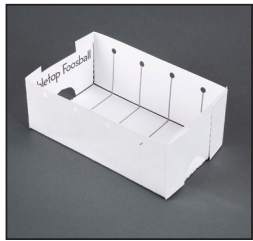

3. Use glue sticks to secure the flaps in place.

4. Punch holes near the top of the sides of the foosball table, lined up with either end of each gray line.

5. Cut six strips of white card stock that are each 8½x1 inches.

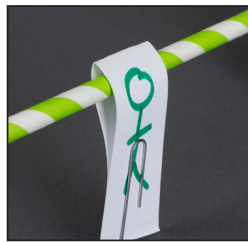

6. Fold the strips in half, and draw a stick figure on each of them. Make three stick figures of one color and three of another.

7. Stick a straw through the holes in front of one goal.

8. Place a folded strip with a stick figure over the straw, securing it in place with a Glue Dot.

9. Put a paper clip on the bottom of the stick figure. This will be your goalie.

10. Repeat on the other side to make a goalie for the other team (using the other color of straw and stick figure).

11. Put a straw in each middle hole with two stick-figure players on each straw. The final craft should have alternating colors of straws.

12. If time allows, use markers to decorate your foosball table.
